Garbage collection for Darlings Island residents affected by flooding (08/05/13)

NB 711

May 13, 2008

FREDERICTON (CNB) - The following is released by River Watch 2008 and the Department of Public Safety's New Brunswick Emergency Measures Organization on Tuesday, May 13:

Regular waste collection contractors will do special collections for flood-related waste in local service districts. Items should be placed at the roadside and will be picked up once a week.

Waste includes appliances (remove doors and covers for safety), furniture, carpeting, insulation, paper products, etc. Small loose items should be bagged or boxed.

Hazardous materials (i.e. petroleum and propane tanks, chemical containers, dead animal carcasses, etc.) will not be accepted. Avoid contact with any hazardous material.

For information on disposing hazardous materials, contact a regional office of the Department of Environment.

Regular household waste will be collected as usual, and should be placed separately from flood-related items.

Following are the details on special debris pick-up for the Darlings Island region:

Collection Time Frame	Areas
May 20 & 21 May 27 & 28 June 4 & 5	Kingston Peninsula
May 20-June 6	Nauwigewauk--Dumpsters on Darlings Island Rd. near Fire Hall
May 20, 27 & June 3	Wickham and Kars
May 21, 28 & June 4	Springfield --Belleisle Bay to Kars and Kingston Peninsula
May 22, 29 & June 5	East Grand Lake---Waterborough, Cumberland Bay and Youngs Cove.
May20,21 May26,27 June 2,3	Nerepis, Woodmans Point to Evandale
